SECURITY

The Vigipirate security posture for the 'summer-autumn 2026' period comes into effect on 22 June 2026 and is the first to implement the new VIGIPIRATE 2026 plan. Set at the new 'enhanced vigilance' stage, the 'summer-autumn 2026' posture focuses on:

- countering the drone threat in light of the recent upsurge in drone flights over Europe and on national territory (TN);
- the security of tourist sites and crowded areas ahead of the summer holidays and Christmas 2026;
- the security of public and institutional buildings.
